# THE BEGINGING OF THE BOURKE SHOW

**28 Sept & Oct 1 1872**

Meeting held, the formation of the Central Australian Pastoral & Agricultural Association was formed. Mr Becker placed at the disposal of the Institution 10 acres of land near the river, fenced in, close to the town. Officers and Committee appointed and decided that the first show should be held as soon as practicable.

First 2 day Show held. Mr Scrymgour is Secretary. The Association is combined with Brewarrina Pastoral Association, the arrangement that annual Shows will take place alternately at Bourke and Brewarrina.

Gold and Silver Goblets and Cups were substituted by the Committee for the Gold and Silver Medals originally advertised. Sections included Wool, Sheep, Cattle, Horses, Working Bullocks and Buggy Horses.

From the Australian Town and Country Journal  
(Sydney, NSW : 1870 - 1919), Saturday 5 December 1874, page 16

## The Central Australian Pastoral Association Show.

THE first show of this association was held at Bourke on Monday and Tuesday, this week. The weather was magnificent, and everything propitious, with the exception of the fire at Tattersall's hotel on the previous Sunday, which had disturbed the visitors and given rise to some inconveniences. This association is combined with the Brewarrina Pastoral Association, the arrangement being that annual shows shall take place alternately at Bourke and Brewarrina, and that both associations shall do their best to support one another. The show was in every way much better than the most sanguine ever expected. The exhibits were numerous and the attendance large, and we are informed by competent judges that the exhibits were highly creditable to the district. The list of exhibits and prize-takers, with the remarks of the judges, which we subjoin, speaks for itself. The prizes (which will be distributed as soon as possible) consist of handsome silver goblets and cups, substituted by the committee for the gold and silver medals originally advertised. During Monday afternoon much interest was excited by the handsome appearance of Mr. J. Becker's Shetland entire Bijou, which was exhibited, but did not come within any of the prize classes. It was a matter for regret that Dr. Grant's pair of chestnuts did not arrive on the ground until a few minutes after the prize was awarded for the buggy horses, and thus had no chance to take honors. During Tuesday morning Mr. Scrymgour, the Secretary sold some of the prize stock by public auction, as follows:—Fat bullock, £18; a fat cow, £19 10s; champion merino ram 14 guineas; 3 merino rams for 35 guineas; 3 merino rams for 38 guineas, and 5 merino ewes for 10 guineas. Some sales were also effected by Mr. E. J. Bloxham.

# SPAR

What is SPAR Bourke you may ask, it's an Australian run family business supporting locals that also employs locals.

We have a wide range of products from fresh meat, fresh fruit and veg to groceries, frozen foods and a wide selection at the deli including a selection of sweets for that tooth of yours, let's not forget the hot chooks and the hot food bar.

Our range has increased with the locals requesting new lines as their palate have developed. The introduction of gluten free and the healthy foods are an outcome of such a change.

We are a friendly bunch of people who welcome one an all. Do drop in and say g'day my husband Chandra and I, Ramya. We will be happy to guide you around the store to assist you with your purchase. See you soon!
